

## *SOC 4015/5050: Exercise-01a - Structuring Values*

*Christopher Prener, Ph.D.*

*Fall 2018*

### *Directions*

Write responses to a survey question for your assigned topic below. For your question, you should note its level of measurement as well as the types of values and (if appropriate) labels. You only need to include an answer below for your group.

### *Part 1: Writing Survey Questions*

- Group 1: What is your racial identity?
- Group 2: What is your gender?
- Group 3: How much money do you make *personally* in a single year?
- Group 4: Do you like seafood?
- Group 5: How do you feel about sushi?
- Group 6: How many times per year do you eat sushi?

*Your Answer:*
